

# Things I Can Do At Home

We are not going to school.

We are not going swimming.

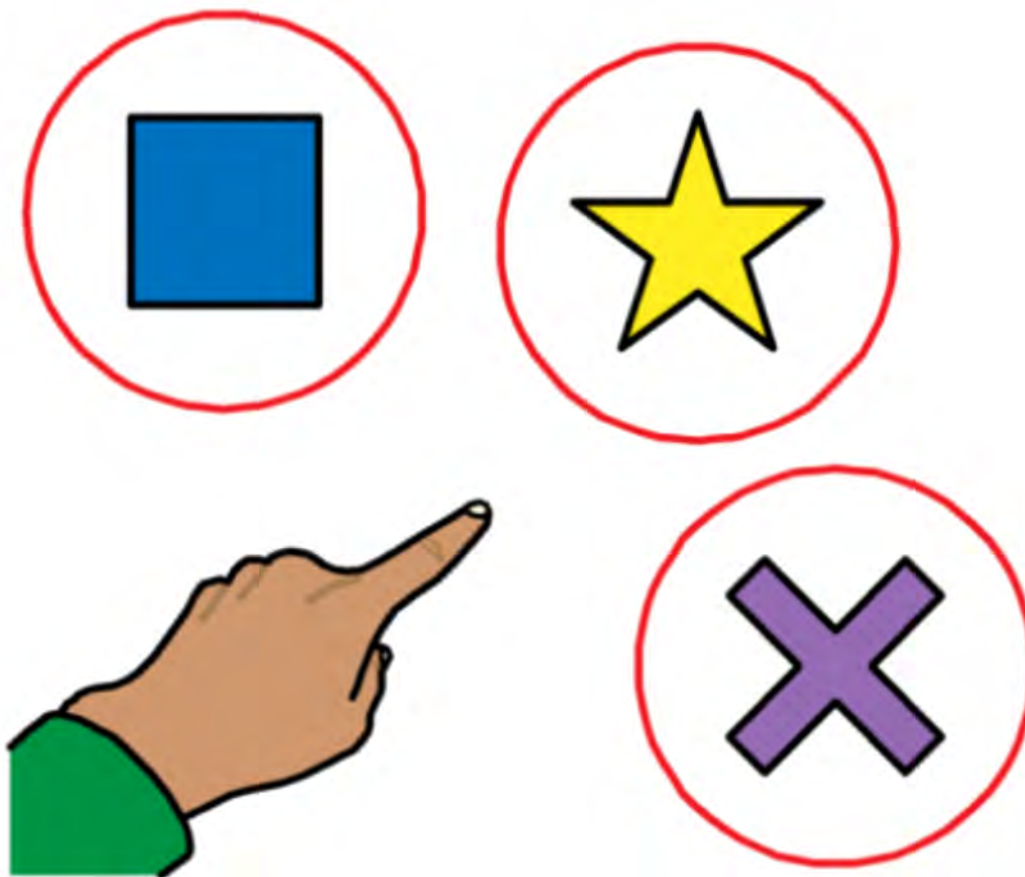

We are not going to the park.

We are not going shopping.

What can we do?

Let's choose!

We can ride our bikes or scooters in the yard.

We can dance! What is your favourite song?

We can jump on the trampoline.

We can play with a ball.

What other fun things can we do?
